204 COTTAGE GROVE

OPEN HOUSE SAT MAY 30 • 11 AM TO 1 PM

Immaculately cared for two-story home with updates that include vinyl siding, newer windows, landscaping and patio space. The home features hardwood floors in the dining room and hallway and is believed to exist under the bedroom areas. Galley kitchen with flattop stove, dishwasher and refrigerator included with the sale. The family room is 14 x 17 and overlooks a well-manicured back yard. The lower level has a large family room with hut tub, a utility room, 3/4 bath and tons of storage options. Plenty of storage on the main floor with deep closets in both bedrooms and utility/linen closets. There is a detached single garage and a large storage shed, which is sheathed insulated and has electricity supplied to it. This home is so much larger than one sees from a drive by so schedule your viewing today.

304 CHURCH ST, KENNETH

NEW LISTING

This property is in wonderful condition. It is approximately 2880 square feet on the main level. It was built in 1907 with remodeling in 1957. In the entryway there is a beautiful stained glass window with six more stained glass windows in the main part. At the top of the stairs is a nursery on one side and a coat closet on the other side. There are hardwood floors in the main sanctuary and vinyl flooring in the remainder of the upper level. The main sanctuary has level floors, which is a real plus if one wants to remodel it into a home. The arched ceiling houses two ceiling fans. A handicapped entrance is located on the southeast side of the extension to the church. There is an office located off the main sanctuary on the southeast corner of the structure and a second smaller stairway located off the northeast corner. There is a full kitchen (24"3" x 16"1") in the lower level with lots of storage, two built-in cook tops, built in garbage receptacle and very good lighting.

207 S CHURCH, HILLS

Very nice twin home centrally located close to post office and convenience stores. The twin home features two bedrooms and 1 1/2 baths. The floor covering was recently replaced to a barrier-free flooring for someone using assistance in walking. The master bedroom features a large closet and accessible bathroom. The guest bedroom has a "Murphy" styled bed, which is included with the sale, which allows this room to be used for multiple purposes. The two bathrooms are adjacent to each other for ease of use. The laundry room is large with a separate vanity sink for quick clean ups and is conveniently located just off of the two-stall garage entrance. There is a formal dining area adjacent to the kitchen. The kitchen features an abundant amount of cabinetry with a separate pantry area. Call an agent today for your preview.

410 W 2ND, HILLS

This is a perennial paradise on over 1 acre of land. This home features 3 bedrooms, with a main floor laundry room, a full bath and a 2nd 3/4 bath in the lower level. If you have a love of nostalgia you love the antique bar from Jasper, MN in the lower level family room. In 1993 custom cabinetry was installed in the kitchen with a separate island and desk unit. Appliances are included with the sale and you'll love the kitchen pantry area for extra storage. The bathroom vanity and make up vanity plus several additional areas will feature similar custom made cabinetry as the kitchen. The 4-season room is flooded with light during the day but when you require a little privacy you'll appreciate the quality that can be found in the insulated blinds. All other window treatments are included with the home as well. A list of trees, perennials and shrubbery will be included with disclosures. This is a well-maintained property that you must see to appreciate the immaculate condition.

Let us list your house. Inventory is low and the interest rates are still at all time lows. We have buyers for your homes.
