This home has been extensively updated over the past few years with new vinyl siding, new windows with trim wrapped in aluminum. The living room and Dining Room has a warm lodge feeling with the knotty pine walls and ceilings. The home was designed to be handicap accessible with a handicap accessible shower and a main floor laundry. There is a new on demand Water Heater and the Furnace has also been updated within the past few years. The most recent addition is the 24 x 36 steel shed.
