New residents — census information needed for preschool children: If you are new to the community, please call Community Education at 283-4724 with your family information for all children ages 0 up to kindergarten. The school district uses the information for planning purposes, mailing out flyers regarding school events, including the state-mandated preschool screening for all 3-year-old children living in Minnesota. If your child is 4 years old and has not been screened, please call 283-4724. The screening should be completed prior to kindergarten.

Nature Explore Outdoor Classroom: Families, daycares, and visitors are invited to play and learn in the Outdoor Classroom located on the southwest side of the Luverne school. This classroom is designed for preschoolers to learn by discovery and exploration. Enter under the arch on the path of engraved pavers. Additional pavers will be added each spring. For ordering information, call 283-4724. Times can be reserved for field trips to the classroom also.

Preschool Classes for ages 3 - 5 Years: Half day Preschool classes are offered during the school year for children who are 3 years of age up to kindergarten age. Enrollments are accepted throughout the school year. Age is determined as of Sept. 1 of present school year. Free or reduced rates are available if income guidelines are met. Call 283-4724 for more information.

Com Ed seeks class ideas and instructors: Luverne Community Education prints a brochure of activities and classes three times each year. They are mailed out as an insert to the Luverne Announcer in September, January, and May. Do you have suggestions for new classes? What do you want to learn how to do? What topics would you like to learn more about? Do you know of someone who would be willing to share their knowledge or craft with others? Suggestions are always welcome. Contact Community Education at 283-4724.

Remember as we celebrate this Christmas...

Having a joyous, happy Christmas isn't always possible. With the death of a loved one, holidays are particularly stressful. The social role of the loved one will need to be filled by someone else or altered significantly because that person will no longer be sharing in the holiday experiences with family and friends. For families dealing with such a loss, there will be difficult days coping with their feelings about the holiday season. Such families may fear the pain of the actual holiday, they may wish to avoid the whole season, they may feel pressure wondering what their friends expect of them and what traditions they should now follow or change.

The names below are the loved ones of families served by our funeral home during this past year. With Christmas upon us, these families need a gift of love from you. Maybe the best gift you could give them is a few moments of your time to show them your concern for them and their loss during this time.
